FROM LĪGATNE TO THE LĪGATNE NATURE TRAILS (13 km)

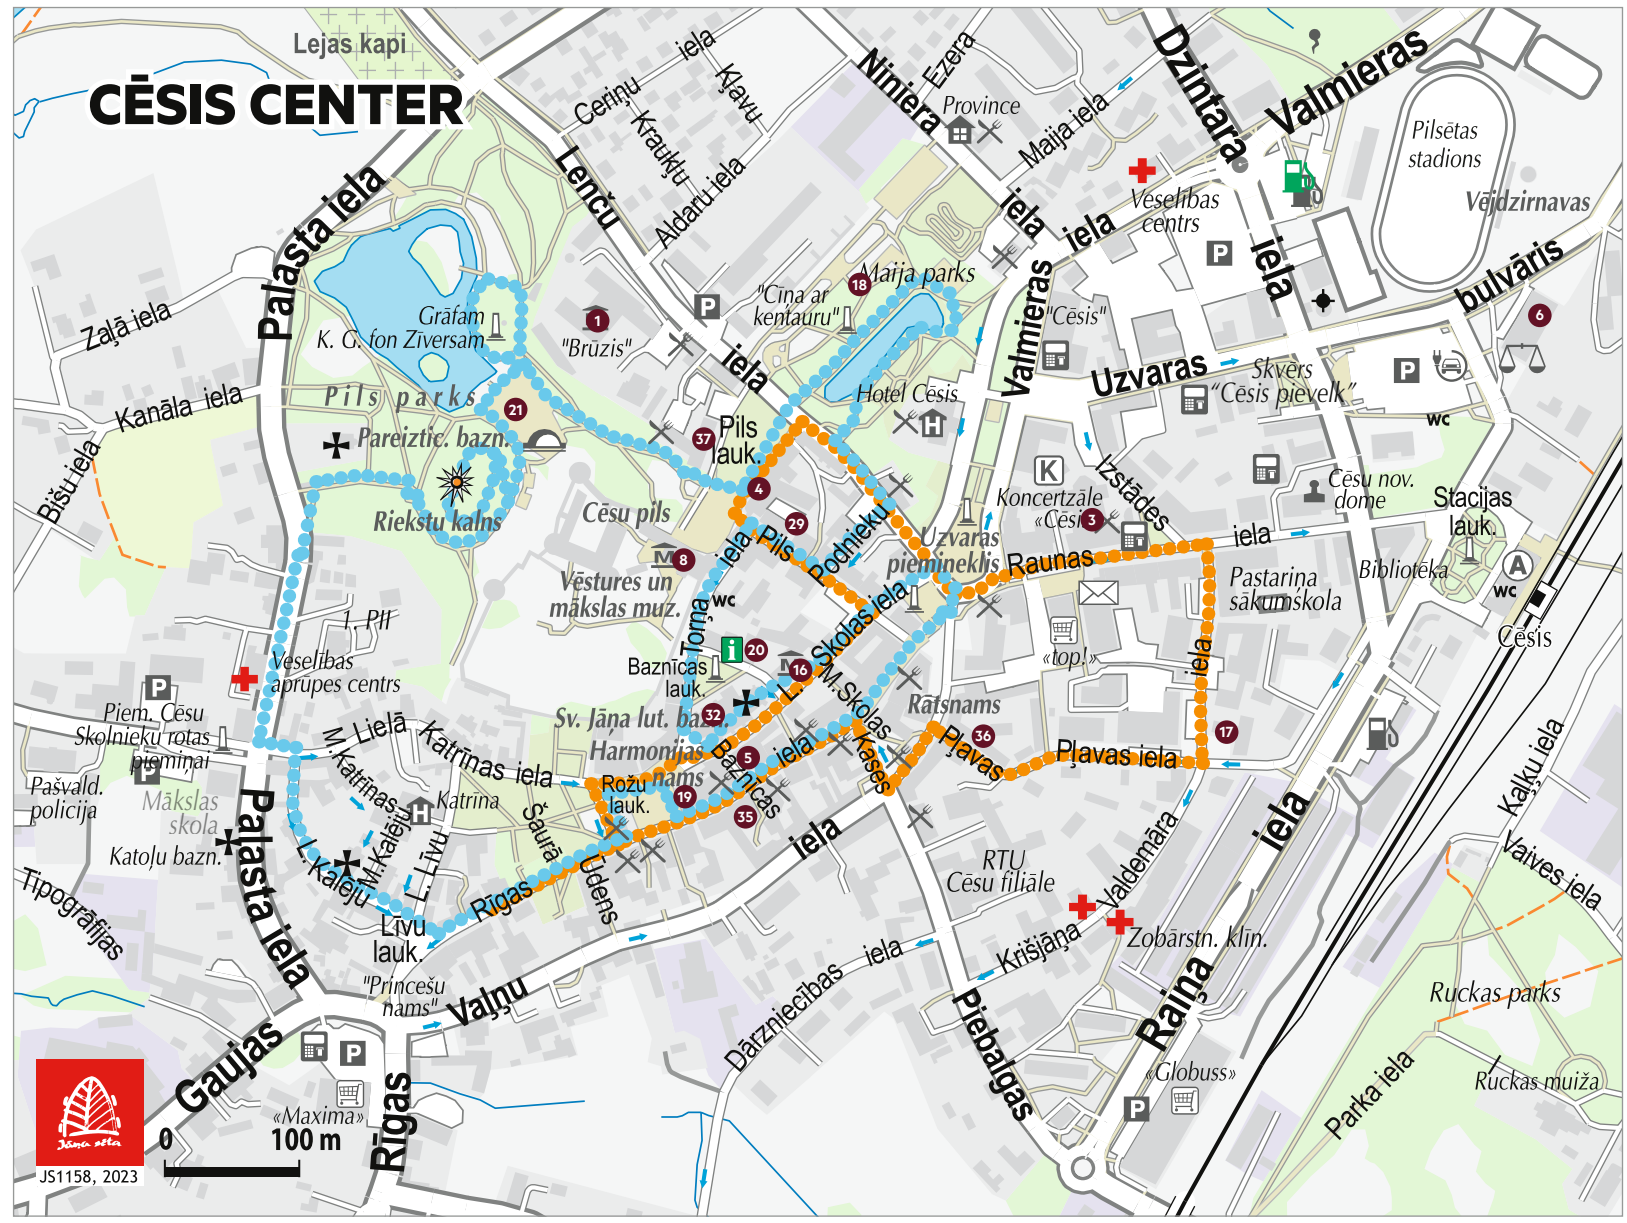

Suitable for those who alongside the "traditional" routes are seeking alternative routes to reach Līgatne's Nature Trails from Līgatne, en route discovering the landscapes along the banks of the Gauja including the beautiful Katrīnas Rock and the Gūdu Cliffs. However, if you are afraid of getting your feet wet or tackling natural forest trails, we recommend choosing the "classic" tourism routes.

..... FOLLOWING IN THE FOOTSTEPS OF THE HANSEATIC TRADERS (2,6 km)

The street layout of Cēsis Old Town dates back to the Hanseatic Period, when folk from both close and distant lands gathered in the ancient market squares. Taking a walk along this route, one can enjoy the aura and charm of a town over 800 years old, discovering its architecture and history.

..... FLAVOURS AND CRAFTS SKILLS IN CĒSIS (2 km)

In Cēsis gibt es gute Handwerker, und hier werden auch sehr leckere Sachen gemacht! Diese Traditionen kommen durch die Jahrhunderte aus der Hansezeit bis zur Gegenwart, haben dabei neue Methoden entwickelt und von der alltäglichen Notwendigkeit zu einer neuen Art zum Erwerb von Wissen und Emotionen geworden. Sie können nicht nur in verschiedenen Werkstätten erleben, sondern auch in kleinen Läden in der gesamten Altstadt verkostet und berührt werden.

..... CĪRULIŠI NATURE TRAILS

In the course of an inspiring walk, the Cīruliši Nature Trails offer walkers the opportunity to discover the development of the beautiful Gauja Valley from the Ice Age through to the present day. This route, which winds its way along small streets and paths beside the Gauja, will introduce you to the beauty of nature including biotopes, species registered in Latvia's Red Book, wooden architecture and cultural landscape. Here one can enjoy the picturesque beauty of all four seasons along the banks of the Latvia's river of destiny, the Gauja. The route can be conveniently connected to the Cīruliši Nature Trails in a southerly direction or alternatively you go as far as the Ērgļi Cliffs in a northerly direction.
